CHAMPAGNE PAUL DÉTHUNE

Ambonnay, on the Montagne de Reims, is one of 17 villages in Champagne rated as Grand Cru. The Déthune family is one of the oldest here, having tended vines on the village's privileged slopes since the early 17th century. Today Pierre Déthune and his wife Sophie have 7ha planted with to 70% Pinot Noir and 30% Chardonnay, all entirely within the Ambonnay Grand Cru vineyard and all farmed according to biodynamic principles.

LIQUEUR

Liqueur de Prunelle	Laurent Cazottes	19.00
---------------------	------------------	-------

Produced from foradage Sloe berries, allowed to ripen “passerillage” until late December in order to concentrate the aromas with the first yearly frost. The fruit is further concentrated by drying out on racks. The berries are then broken manually then macerated for six months before careful and gentle distillation. The “Eau de vie” extracted from this young prunelle marc is then added back to the liquor and gives it vitality and length. Really great with anything chocolate.
