PLYMOUTH'S BOTANICAL SEA GARDEN
AT BENTLEY'S OYSTER BAR

This summer at Bentley's Oyster Bar and Grill we are celebrating the finest British & Irish Seafood with one of the world's best and oldest premium gins, Plymouth Gin. We have transformed our already beautiful terrace into a Botanical Sea Garden that will ship you to the Devonshire Coast whilst sipping on our Plymouth inspired Cocktails, Punches, Spritzer's & Martinis which we have attentively paired with some of our favourite Bentley's Dishes.
